**MYRTLES ARE THE CHAMPIONS**

TAKE A NUMBER OF EVENTS ON THE SECOND EVENING—SOME GREAT WORK AT THE BATHS.

While the crowd at the Hotel Baths on last Saturday evening was not as large as the management would have liked to have seen yet it was a jolly crowd that gathered to watch the last night's contest between the Myrtles and the Healanis for the swimming championship of the islands. The Healanis boys bought every inch of the way but the Myrtle boys were too much for them and took first honors.

The Myrtles were entitled to it and the Healanis do not complain. They are a good bunch of men and the best men won. But it was no walk over at any stage of the game.

W. Cooper of the Myrtles won the first event on the program by swimming 25 yards in 12:05. Ted Cooper was second.

Kenneth Winter of the Healanis won the backward race against George C. Crozier.

George Cooke did some fancy plunging. His distance was 66 feet 2 inches. The world's record is 78 feet 6 inches but it might be stated without discredit the performance of Cooke on Saturday evening, that the requirements are that a man shall not stay under water more than a minute and that his take off shall be three feet above water. Cooke was under water 1 minute and 20 seconds and the take-off is nearly 2-1/2 feet too high. This makes some difference.

E. Kopke did some tall going in the 100 and won for the Myrtles in 1 minute and 7 seconds. Freeth gave him a hard race but Freeth was going out of his class as he only pretends to swim the fifty yard dash. George pressed Kopke hard throughout the race.

Rex Hitchcock is a comer. His work in the 50 yard junior race was splendid. He looks like he will be one of Honolulu's best swimmers in time.

Lawrence Cunha swam against three Myrtle men in the fifty yard final and won easily. His time was 29 flat.

Several crazy stunts were gone through which pleased the crowd immensely.

The event of the evening was the 300-yard relay race. The crowd stood on its toes and rooted until they nearly fell into the water. The Myrtles won by about one foot. It was a beautiful race and every man in both teams should be proud of their work. Freeth Cunha and Kopke did some splendid work.

**H. C. C. WON.**

**MANNING BOYS WON BOAT RACE**

HAWAIIAN CREW DEFEATED BY FIFTEEN LENGTHS IN SATURDAY'S RACE.

An exciting race was rowed on Saturday afternoon between a crew from the Revenue Cutter Manning and a crew of Hawaiians over a three-mile course. The Manning boys winning easily by about fifteen lengths.

The race was a very exciting one and hundreds of people lined the water front and watched the boys pull to victory. They heartily cheered both winners and losers as they crossed the finish line.

The crews and officials were as follows:

Manning—Mathieson, cox; Jensen, stroke; Hooganson, No. 2; Walsen, No. 3; Logan, No. 4; Jakoboff, No. 5.  
Harbor Boys—"One Hundred," cox; E. Mahuku, stroke; Keatuaia, No. 2; Koolau, No. 3; T. Mahuku, No. 4; J. Kane, No. 5.  
Starter—Sam Walker.  
Boat Starter—Captain Joynes.  
Time—25 min. 20 sec.

**VOLUNTEERS DID WELL AT LEILEHUA**

BUT ONE ACCIDENT—MEN PRAISED BY INSPECTING OFFICER—COMPANY F IS HONORED.

Hawaii's National Guard has folded its tents and broken camp. Last night the boys marched to the drillshed from the depot where they arrived from Leilehua, Camp Taft. They marched through crowds of admirers, a smart procession.

Colonel Jones at the drillshed complimented the men on their conduct in camp. The officers were cheered and the Oahu boys ordered to disperse and the Hilo and Waialua companies took up quarters in two rooms in the drillshed until they leave tomorrow for home.

The encampment has been a success and the National Guardsmen have greatly benefited. Saturday's inspection showed the soldiers well drilled. Major Van Vliet had much good to say of them, unofficially. They have been given some valuable instruction at the butts; those who are lacking in shooting will have the opportunity of making good at the home butts.

The names of those who have qualified as marksmen will be enrolled at Washington; they will be the first eligibles to go to the front in the event of war. It is said that the first four highest scores in the regiment have been made by Company F, of which Sam Johnson is captain. This company received special commendation from the inspecting Federal officer. On Saturday it was honored by being ordered to give a special drill before Governor Carter after the review, at which review Major Van Vliet inspected the volunteer forces of the Territory.

The Hawaiian Band was present. The Governor and Major Van Vliet were attended by Secretary Atkinson, Captain Chamberlain of the regular army and J. R. Galt. Mrs. J. W. Jones and Mrs. T. E. Wall and a few other ladies enjoyed the day and they with parties from town were the guests of Col. Jones at luncheon.

There was but one accident. Sergeant Gouvea received a spent bullet in the side while in the marker's pit at gun practice; the bullet struck the ground with a motion that brought it into the pit. The wounded man walked to the hospital tent where he was attended by Dr. Cooper and Dr. Moore. His injury is slight. During the encampment measles broke out among the Maui men. One is quite sick but most of the cases were very light.

**MARRIED.**

DAMON-GRAY—In Albany, N. Y., on February 7, Miss Cornelia E. D. Gray was married to Maurice Sherman Damon. The ceremony was performed at the residence of the bride's parents, Mr. and Mrs. James S. Gray by the Rev. Walton B. Wattershall, D.D. There was a large company of guests present. The bride's father gave her away. Miss Alice Gray, her cousin, was her only attendant. William Damon of Spokane, was the best man. The groom is a graduate of Yale. Among the guests from Honolulu were Mrs. Damon and Miss Damon.

**WOMEN AND PENNIES.**

A woman in a New Year street car the other day let her resentment be known to all passengers by throwing on the floor the five pennies which the conductor had given to her when she offered him a dime for her fare. Women should not take it so seriously when a conductor tries to get even once in awhile, for conductors say that they get all their pennies from women.—Buffalo Express.

**SUGAR**

The following is Williams, Dimond & Co.'s latest sugar circular:

Our last Circular per Coptic was dated January 16, 1907.

SUGAR—No change in prices has since occurred in the local market or for export to Alaska and Hawaii, quotations previously advised still being in force.

New York Basis 96 Deg. Centrifugals.—Jan. 16th to 23rd, no sales; 24th, cost and freight sale 890 tons at 3.45c; 25th, cost and freight sale 3200 tons at 3.45c; 26th, no sales; 27th "to arrive" sale 3000 tons at 3.45c; 28th to Feb. 4th, no sales; 5th, cost and freight sale 2600 tons at 3.45c; 6th to 8th, no sales; 9th, "to arrive" sale 2300 tons at 3.45c; since which no sales, holiday intervening Feb. 12th, establishing basis by transactions recorded Feb. 5th and 9th at 3.42c.

London Beets.—Jan. 16th and 17th, 8s 9 3/4-4d; 18th, 8s 9d; 19th, 8s 9 3/4-4d; 21st, 8s 9d; 22nd to 25th, 8s 9 3/4-4d; 26th and 28th, 8s 9d; 29th, 8s 9 1/4-4d; 30th and 31st, 8s 7 1/2-3d; Feb. 1st and 2nd, 8s 8 1/4-4d; 4th, 8s 7 1/2-3d; 5th and 6th, 8s 8 1/4-4d; 7th, 8s 9 3/4-4d; 8th to 13th, 8s 9d; 14th, 8s 9 3/4-4d.

New York Refined.—Quotations declined Feb. 6th over previous list prices 10 points, establishing a price on that date of 4.60c net cash in barrels, equivalent to 4.55c net cash in bags.

London Cable.—Feb. 9th quotes Java 96 deg. test 9s. 10 1/2-2d; Fair Refining 8s 6d against 9s and 8s 11-2d respectively, same date last year. March Beets 8s 9 3/4-4d against 8s corresponding period previous year.

Latest Statistical Position.—Willett & Gray report U. S. 4 ports in all hands estimated Feb. 6th, 148,758 tons against 134,168 tons, same date last year. Six ports Cuba estimated Feb. 5th, 170,000 tons against 51,000 tons, same date in 1906. United Kingdom, estimated Feb. 1st (bonded stock) 115,000 tons against 116,000 tons previous year. Total stocks in all the principal countries by cable Feb. 7th, at latest uneven date, 3,784,758 tons against 4,044,168 tons, decrease from last year 249,410 tons. Sugar crops of the world, estimated Feb. 7, 1907.—Total Cane Sugar crops (W. & G.) 4,925,000 tons—European Beet Sugar crops (F. O. Licht) 6,690,000 tons. United States Beet Sugar crops (W. & G.)—July and October—395,000 tons. Grand total cane and beet sugar 12,015,500 tons against 12,137,082 tons in 1906-6; estimated decrease in the world's production 125,120 tons.

Eastern and Foreign Markets.—Throughout the period under review, prices for European Beets have been fairly and well maintained. A weaker tendency developed for a brief period, ascribed in part to speculative influences and rumors of a possible increase of sowings for the next beet crop. Quotations however have since rallied to the point of complete recovery and latest advices indicate a firm market, thereby exhibiting features which on the other hand have not been reflected in the course of the market for raw sugars in this country during the interval under consideration.

Values in Cuban Centrifugals have continued to weaken and it would seem that the rapid making of the crop under satisfactory weather conditions, the inadequacy of convenient storage facilities in Cuba, and the financial needs of planters, are the foremost contributory causes of the existing period of depression. Refiners are disposed to take full advantage of the situation, particularly in view of the fact that their present requirements are being amply supplied by the free arrivals of their previous purchases and in the absence of demand from speculators or sales of Cubas to Europe, demand concessions from sellers to which the comparative helplessness of Cuba's position forces her in a large measure to respond. Accordingly it is quite unlikely that relief will be afforded until decrease in crop making will influence the market and a gradual strengthening tendency set in which will mark the approach to normal conditions and the re-establishment of direct relations to world values with which Cuban sugars at this juncture are entirely out of sympathy.

The market for the Refined product has been dull until the reduction in quotations the early part of this month quickened somewhat the demand for the article.

COFFEE.—Since our last advices the arrivals of Hawaiian coffee to this market aggregate 1350 bags; deliveries have been 1140 bags, leaving an available stock of say 1590 bags. Market conditions locally are unchanged and we confirm our previous quotations. European and Brazilian markets have advanced and continue steady.

RICE.—Recent arrivals latterly to the local market consist principally of Chinese Seed Rice which is worth at the present time 5 1/2-5c to 5 3/4-5c ex wharf according to quality. Regular island Rice is scarce and sales from second-hand have been made at 4 1/2-5c, but any large receipts would drive the price down to 4 1/2-5c to 4 3/4-5c. A good domestic Japan rice can be bought at 4 1/4-5c to 4 1/2-5c. F.O.B. San Francisco, prices South remaining very firm. Honduras rice rules from 3c to 6c, according to grade—first-grade imported rice, Japan polished, 5 1/2-5c, duty paid.
